

Library Databases

The library databases area digital collections of published information in an online format

Efficient

Information is organized by subjects and will often be found in specific databases labeled by these fields/subjects

Credible

Database articles are checked for accuracy and credibility by publishers including authors, publishers, and citation information

Economical

Databases include scholarly journals, newspapers, and articles that are not available without a paid subscription

Convenient

Library databases are available during library hours and 24/7 through your student login and password

Accessing the Databases

Go to the library homepage

library.sk.c.edu

Click on the "Find items" tab and click on online databases

On campus you can access databases immediately

Off campus you will need to log in with the username and password. You can contact the library for the current information
